

The purpose of this statement is to explain to you what personal information we collect and how we may use it.

- We process personal data for legitimate business reasons to support the smooth running of the Tactical Communication Forum. With your consent, we may contact you about future events.
- We will only contact you with your consent.
- We follow strict security procedures in the storage and disclosure of your information to prevent unauthorised access in accordance with the applicable data protection legislation.
- We do not collect sensitive personal information about you.
- Regarding the data we collect via our website, we use the website management tool, Wix.com Ltd. and adhere to the terms outlined as part of the Wix.com Ltd. Privacy Policy, which can be found [here](#). Find below excerpts from the Wix.com Ltd. Privacy Policy.
 - *Wix Visitors', Wix Users' and Users-of-Users' Personal Information may be maintained, processed and stored by Wix.com Ltd. and authorised affiliates and service providers in the United States of America, in Europe (including in Lithuania, Germany and Ukraine), in Israel, and in other jurisdictions as necessary for the proper delivery of our Services and/or as may be required by law (as further explained below*
 - *Wix.com Ltd. is based in Israel, which is considered by the European Commission to be offering an adequate level of protection for the Personal Information of European Union (EU) Member State residents.*
 - *Wix affiliates and service providers that store or process your Personal Information on Wix's behalf are each contractually committed to keep it protected and secured, in accordance with industry standards and regardless of any lesser legal requirements which may apply in their jurisdiction.*
 - *Wix.com participates in, and has certified its compliance with, the EU-U.S. Privacy Shield Framework and the Swiss-U.S. Privacy Shield Framework. Wix.com is committed to subjecting all Personal Information received from EU member countries and Switzerland, respectively, in reliance on the Privacy Shield Framework, to the Framework's applicable Principles. To learn more about the Privacy Shield Framework, visit the U.S. Department of Commerce's Privacy Shield List, [here](#).*
- At anytime, you may request access to, amendment of, and deletion of personal data held by us. We shall use reasonable measures to verify the identity of a data subject before responding to such requests. We will not respond to requests from unverified sources and shall not provide personal data to unauthorised recipients.

- Upon request for access to personal data from a verified data subject, we shall provide the data that we have. These data shall be accompanied by explanations of: the purpose for which the personal data are processed; the period for which the personal data are processed; the recipients of the personal data and the logic involved in any automatic data processing. This information will be provided in electronic format, if requested. We shall respond to a verified data subject's request within one month.

All queries relating to Data Protection should be addressed to the TCF Chair: coordinator@tactical-comms-forum.com
